### CLIENT

Derwent Living Housing Association

### PROJECT

The Glasshouse, an innovative high-rise student village of 600 standard and en-suite rooms, including a secure car park and ground floor retail outlets. The facility is based in the city centre and ideally placed for Nottingham Trent University students.

### SERVICES PROVIDED

A full design, installation and commissioning package for all electrical and mechanical services. As part of the £2.2m Design and Build contract, PWP installed and commissioned specialist voice and data facilities for each student unit, a 24 hour security and secure fob reader entry system, security services for the multi-level car park and the infrastructure for ground level retail units.
