THE CLIENT

Derbyshire County Council

PROJECT

A £2.35m, M & E project for Queen Elizabeth Grammar School, Ashbourne, bringing the school onto one site.

SERVICES PROVIDED

PWP Building Services designed and installed a full suite of Mechanical and Electrical services including LPHW (Low Pressure Hot Water) and radiant heating, hot and cold water services, sanitary ware installations, ventilation systems, lighting and emergency lighting, power, fire alarm system and data cabling installations including upgrading external utility services.

The additional facilities included new teaching blocks, an amenity block including full kitchen and dining room services, a sports hall and 6th form block as well as a dedicated CAD CAM building. The specification was developed by PWP to meet the client's strict budget while delivering the main teaching requirements on time and to the quality and standards required, whilst the main school continued to operate normally.

OTHER CONTRACTORS
