THE CLIENT

Highbridge Properties and Leicestershire Constabulary

PROJECT

Titan House, Sherwood Business Park – a £7m shell and fit-out contract for a fully serviced 40,000ft² office and 10,000ft² workshop facility.

SERVICES PROVIDED

PWP Building Services provided a £2.3m complete suite of design, installation and commissioning services including heat recovery VRV heat pump systems, close control air conditioning for the computer rooms, heat recovery ventilation, LPHW heating to ancillary areas, domestic and public health systems, full BEMS, workshop gas radiant heating, lighting and automatic controls, power systems, voice and data installations, gas suppression systems, generator, UPS and external installations.

The project also comprised extensive security systems including intruder, CCTV and door access systems, plus a comprehensive intelligent fire alarm system, all designed and installed in-house.
