

## Fire & Security Service Engineer – South Central Region

PWP Fire & Security have been established for over twenty-five years and gained a strong reputation for outstanding technical excellence, flexibility, and integrity. The company today retains its original enthusiasm and commitment to customer satisfaction across all their areas of expertise: fire detection & alarm, fire suppression, intruder alarms, access control & cctv.

We're currently recruiting for an experienced Fire & Security Service Engineer to join our team and assist us in delivering exceptional support to our clients in the South Central region.

Ideally located in Basingstoke or the surrounding areas (Reading/M4 Corridor) and willing to cover circa one hour travel circumference, this is a great opportunity for the right person to manage the area and make it their own working on quality sites and systems with a flexible and varied workload.

The role will be to carry out reactive fault finding and rectification & PPM on fire alarm and aspiration, intruder, access control, CCTV, fire extinguishers (not essential) and emergency lighting (not essential).

Product knowledge would be advantageous on the following:

- Fire (addressable, conventional, aspirating) - GENT, Advanced, Kentec, C-Tec, Vesda and FAAST
- Intruder – Galaxy, Orisec, Texecom and Scantronic
- CCTV – Hikvision IP (some with offsite monitoring) and Analogue Systems
- Access Control – Paxton and Avigilon
- Signalling - Emizon, Dualcom and Digi Air

Excellent package and benefits available including all travel paid door to door, we're not driven in the same way as typical 'nationals' so can confidently offer more to our engineers in terms of conditions, culture, and opportunities for development.

Excellent basic salary with ample overtime opportunities (if wanted)

24 days holiday

Paid door to door travel

Vehicle, fuel & expenses card, laptop, power tools and testing equipment, phone, PDA, uniform, ongoing training & development (Gent, FIA's etc if needed)

Callout is a requirement currently 1 week in 7, and backup 1 week in 7.

Candidate would ideally have a minimum 10 years direct industry experience.

<p>Tel: (0115) 964 7781 Fax: (0115) 964 7787 fireandsecurity@pwp-ltd.co.uk www.pwp-ltd.co.uk</p>	The logo for PWP Building Services consists of a blue square with a white hand icon on the left, followed by the letters 'PWP' in a large, white, sans-serif font. Below this, the words 'BUILDING SERVICES', 'FIRE & SECURITY', 'FACILITIES MANAGEMENT', 'DATA SERVICES', and 'PROJECTS' are stacked vertically in white text on colored rectangular backgrounds: blue, red, green, purple, and light blue respectively.	<p>Registered address: 43 Alexandra Street Nottingham NG5 1AY</p>
The NSI Silver logo features a stylized 'NSI' in blue and silver, with a circular seal below it containing the word 'SILVER'. The BAFE logo consists of the letters 'BAFE' in a bold, red, sans-serif font, with a red checkmark to the left. Below it is a small red box with white text. The GENT 24 logo features the word 'GENT' in a blue, sans-serif font, followed by a large '24' in a blue circle, with '24 HOUR SERVICE' written in a smaller font around the bottom of the circle.	<p>Company number: 2827817 Registered in the UK VAT No: 610 6240 89</p>	<p>PWP Fire &amp; Security is a trading division of PWP Building Services Limited</p>
